Persatuan Kebajikan Tiram would like to thank you for your donation to the organisation .

The organisaton is dedicated to supporting unwed mothers and thier babies .

We provide shelter and counselling to women ,particularly to women who are shunned by the father of the child they carry, parents and immediate relatives, and not to mention society at large.

The women are given antenatal care and hospitalisation .

After the birth they abandon the child at the home. Some literally run away from the Home.

Birth certificates are pursued .

Babies are given up for adoption to adoptive parents.

This process can take time and the baby is cared for at the Home .

There are currently 10 mothers at Home . Their nationality ranges from Trengganu, Kedah, Sabah, Indonesia, Vietnam, Johor, India, Rohingya, Sri Lanka .

Donations to the Persatuan go largely towards the operational cost of the Centre. We have paid workers (3 in number). However we also welcome donations in other forms such as groceries, milk powder for babies, pampers, Kotex, maternity clothes, baby clothes, cots, Once again, we thank you for your kind generosity towards the Home. We hope that you will continue to support us in the future .

Thank you,

Yours truly,

.....
DR. SALINA MALAR BT ABDULLAH
